SCHOOL FEES

2023-24

FIXED ONE-OFF FEES

Application and deposit fees are handled by each school's **Admissions department.**

Application Fee

A non-refundable application fee of £250 must accompany each application form and can be paid online. Payment of the fee does not guarantee admission. The fee covers the administrative work involved in processing an application. Please contact the **Admissions Office** with any questions – see 'CONTACT US' overleaf.

Deposit Fee

A **non-refundable enrolment deposit** of £1,500 is payable after a student has been accepted in order to reserve a place. The deposit is set against semester 2 tuition charges.

A similar non-refundable re-enrolment fee is payable in March for existing students in order to reserve a place for the next academic year.

One-Off Campus/Development Fee

A once-only, non-refundable campus/development fee of £1,300 is charged during the first year of each student's enrolment in Grades K-12. The fee contributes towards the maintenance and development of school facilities and is included within the first tuition fee invoice.

ADDITIONAL COSTS

Trips
Some extracurricular activities, visits and trips incur additional charges.

Exam Fees
External exam fees are also in addition to the school fees with an expected cost of around £700 for the full IB Diploma Programme and around £200 for the IBCP. (ACS reserves the right to amend these fees if examination bodies increase their charges).

Students in Grade 10 are registered for MYP eAssessments. Charges for these qualifications are determined according to the examining body's fees. For the May 2024 examination session, fees for the selected subjects are anticipated to be around £500 in total.

Tuition fees for students repeating any part of Grade 12 are available from the **School Fees Office.**

University Applications
Application fees for US universities vary (between $50 and $150 per application). UK universities (UCAS) charge £22.50 - £27.00.

Lost iPads
Accidental damage is generally covered by ACS International Schools. However, ACS International Schools does not cover lost or misplaced iPads. If an iPad is lost, a charge of up to £350 will be made.

Deliberate damage to iPads or damage through misuse will result in the cost of repair or replacement of the iPad being charged.

All iPads are provided with a safety cover which must not be removed. Lost covers are replaced at the expense of the user.

Lost Or Damaged Text Books
A set of text books is loaned to each student. At the end of the year, or earlier for transferring students, the books must be returned in the condition in which they were issued, allowance being made for fair wear and tear. A charge will be made for textbooks/library books lost or damaged beyond the accepted standard.

Food
A hot meal cooked in school and various 'Grab & Go' items are available as an option. Students are also allowed to bring a packed lunch (ACS parents can visit our intranet to find out about making payments).

Co-curricular Activities
We understand the value of co-curricular activities in helping to provide a well-rounded and balanced school experience. Some activities and events are included in the tuition fee, others incur an additional charge (ACS parents should direct any payment enquiries to the Divisional Office).
