ADDITIONAL COSTS

Level 3 SEN Services
Services for students who require support for moderate special educational needs (SEN) are charged at £4,000 per year (£2,000 per semester). An initial service level assessment is made on admission, but it may change based on student achievement and ongoing professional judgment by faculty. This fee includes coordination of services, additional learning support, and required post-admission educational testing. ACS has a limited number of spaces for students with moderate SEN needs.

Trips
Some extracurricular activities, visits and trips incur additional charges.

Exam Fees
External exam fees are also in addition to the school fees with an expected cost of around £700 for the full IB Diploma Programme and £125 per AP Standard exam or £150 per AP Capstone exam (ACS reserves the right to amend these fees if examination bodies increase their charges).

Tuition fees for students repeating any part of Grade 12 are available from the **School Fees Office.**

University Applications
Application fees for US universities vary (between $50 and $150 per application). UK universities (UCAS) charge £27.50 (up to 5 choices).

Lost iPads
Accidental damage is generally covered by ACS International Schools. However, ACS International Schools does not cover lost or misplaced iPads. If an iPad is lost, a charge of up to £350 will be made. Deliberate damage to iPads or damage through misuse will result in the cost of repair or replacement of the iPad being charged. All iPads are provided with a safety cover which must not be removed. Lost covers are replaced at the expense of the user.

£50 annual IT service fee (Grades 9-12).

Lost Or Damaged Text Books
A set of text books is loaned to each student. At the end of the year, or earlier for transferring students, the books must be returned in the condition in which they were issued, allowance being made for fair wear and tear. A charge will be made for textbooks/library books lost or damaged beyond the accepted standard.

Food
A hot meal cooked in school and various 'Grab & Go' items are available as an option. Students are also allowed to bring a packed lunch. (ACS parents can visit our intranet to find out about making payments).

Co-curricular Activities
We understand the value of co-curricular activities in helping to provide a well-rounded and balanced school experience. Some activities and events are included in the tuition fee, others incur an additional charge (ACS parents should direct any payment enquiries to the Divisional Office).
