If an iPad is lost, a charge of up to £350 will be made. Deliberate damage to iPads or damage through misuse will result in the cost of repair or replacement of the iPad being charged. All iPads are provided with a safety cover which must not be removed. Lost covers are replaced at the expense of the user.

A charge will be made for textbooks/library books lost or damaged beyond the accepted standard.

Trips
Some extracurricular activities, visits and trips incur additional charges.

We understand the value of co-curricular activities in helping to provide a well-rounded and balanced school experience. Some activities and events are included in the tuition fee, others incur an additional charge (ACS parents should direct any payment enquiries to the Divisional Office).

Level 3 SEN Services
Services for students with mild SEN (Special Education Needs) are included in standard tuition fees (at no additional cost).

Services for students who require support for moderate SEN are charged at £4,500 per year (£2,250 per semester). An initial service level assessment is made on admission, but it may change based on student achievement and ongoing professional judgment by faculty. This fee includes coordination of services, additional learning support, and required post-admission educational testing. ACS has a limited number of spaces for students with moderate SEN needs.
