## My Boarding Experience

My parents and I chose ACS Cobham because of its wonderfully supportive and international community. Everyone was super-duper friendly, and everyone came up to talk to me, making my first experiences special.

This environment helped me settle down much quicker than I settled down at my last school, for example. My favourite part of being a boarder is that there is always someone there for you – someone to listen and help. Our house parents put a lot of effort into making you feel at home.

I like to dance in my free time, and am part of the ACS Cobham Dance Team that meets every Thursday and Saturday. It is a lot of fun. The weekend activities are also fantastic; they open your eyes to things that you would not usually consider doing.

Study-wise I am thinking of doing the IB Diploma next year. The school offers a great variety of courses to take, so it's good to know I have academic options.

Boarding Life is wonderful as it teaches you so many life lessons, and it really brings you close to your friends. It creates so much more depth to your personality.
