Rundu - Namibia

ACS Cobham International School  
United Kingdom

**The Mission will be to Serve the Learners, Empower the Teachers and Parents, Strengthen Families, Support the Community.**

This newsletter is an efficient way to share and celebrate transparent and accountable information about the ACS - I!Khūta!hoas & Dr Alpo Partnerships with all stakeholders.

## Scholarship opportunity for two learners from Dr Alpo

Two tertiary education scholarships awarded for a four year course to bright, disadvantaged learners from Dr Alpo Mauno Mbamba JS School in Namibia.

## Developing a sustainable school garden

Improve Food Security by providing shade cover for the garden, raised beds, improved irrigation and the purchase of high yield drought resistant seeds.

SUSTAINABLE  
DEVELOPMENT

NAMIBIA '18

GOALS

Sponsoring residential workshops for I!Khūta!hoas Primary School and teachers from the 'cluster schools' in the Kharas Region.

## NaDEET Learning and Living for a Sustainable Future

The bursary enables learners to continue their education in Grades 9 and 10 at Kaits!beb Hostel, Berseba by the provision of funds for hostel fees, school uniform, tracksuit & transport.

## Bursary Programme for I!Khūta!hoas Graduating Learners

**Winter Food Supplements for the OVC's**

Provision of protein supplements for the orphans and vulnerable children in the hostel and kindergarten at IIKhūta!hoas.

**Improving Physical Activities for all Learners at IIKhūta!hoas**

by funding new sports facilities, equipment and tracksuits.

**Donation from MacBank enabled us to provide 10 iPads**

loaded with apps to teach basic literacy and numeracy to the learners at IIKhūta!hoas.

**Purchased a Goat Herd for five vulnerable families**

**Provision of First Aid Kits and Blankets to raise awareness of basic hygiene and good health.**

**Provided Sewing Machines and Materials**

to support the Life Skills and Enterprise Development Programme for the IIKhūta!hoas School and Community.

**Provided Solar Lights**

for bright, disadvantaged high school learners at Dr Alpo Mauno Mbamba JS School who have no access to electricity in their homes.

**Purchased new School Uniforms, Educational Games, Musical Instruments**

and painted murals on the classroom walls which were linked to the school Mission Statement.
